

## Consultant, Risk Advisory - Rotational Program - New Grad 2023 - Multiple Locations

### Our Purpose

At Deloitte, we are driven to inspire and help our people, organization, communities, and country to thrive. Our Purpose is to build a better future by accelerating and expanding access to knowledge. Purpose defines who we are and gives us reason to exist as an organization.

By living our Purpose, we will make an impact that matters.

**Are you ready for a challenge? Participate in QuickStart, a two-year rotational program in Deloitte's Risk Advisory practice, where upon successful completion you will permanently join one of our market offerings.**

### What will your typical day look like?

Our rotational program has been designed to provide our new consultants with the opportunity to experience different services and develop skills to become a successful consultant.

As a consultant, you will complete a two-year rotational program where you will have the opportunity to work in Internal Audit and IT & Specialized Assurance. Once you have completed the rotational program, you will have the opportunity to permanently join one of these teams based on your interests, capabilities and business need.

Individuals with interest in controls, audit methodologies, business and IT operations, IT risk, analytics and data should apply. While not mandatory for an applicant, the rotational program allows individuals to fulfill their CPA, CIA, or CISA designation requirements and is available in all our offices. It includes:

- Internal Audit; and,
- IT & Specialized Assurance.

*Note: CPA candidates in Quebec will need to complete a rotation in Deloitte's Audit & Assurance practice in order to meet CPA Quebec designation requirements. This will be facilitated through the rotational program.*

### About the team

Risk Advisory professionals are advisory specialists that help our clients navigate business risks and opportunities, embrace complexity, accelerate performance and gain competitive advantage.

### Enough about us, let's talk about you
